First of all, I'd like to
say that knowing you has
been one of the best things
that happened to me at Rogers.
We've sure had a lot of fun
together, and I hope it won't end
here. I wish you the best of luck
in everything you do.

Christopher,
You are a pretty nice
kid. I think. Seriously you
are a very nice boy, with
a great personality. Stay just
the way you are and you
are bound to succeed. Best

Chris -

To a boy whom I admire a lot. Although I didn't get to know you very well, I sure wish I could have gotten to know you better. You really did a good job of bowling that nite. We sure did have fun that nite at the Brown, Hillcrest, and the bowling alley. You sure are funny. Now I am quite serious about next year - you must look after me - Maybe I will be over to see at TV. Some time ok? With your looks and great personality I know you will go far in life. May God bless you and keep you always.

*The glow from the Lamp of Learning
shines brightly over the youth
of the world.*

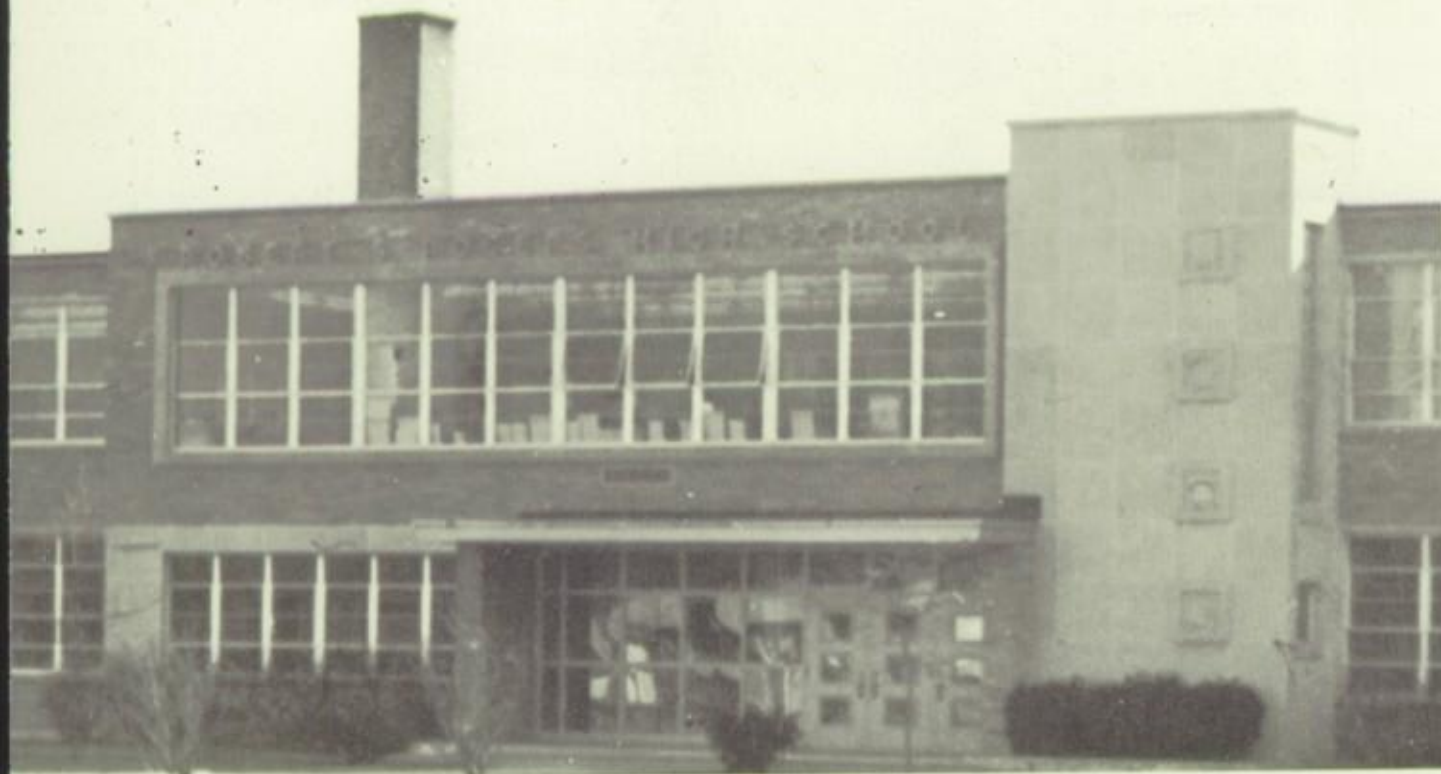

*It glows throughout the halls of

to each of us—that brilliance
of knowledge, of education.*

The purpose of Rogers High

to educate-

Not only through studies,

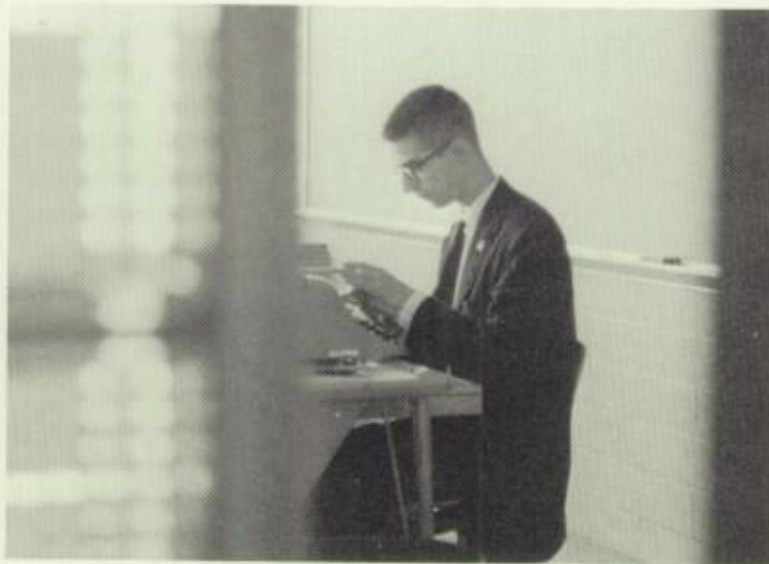

but also through experience

and performance.

*We,
the students,
constitute
the

*They alone can supply
us with the fuel
for our growth and well being.*

*We,
as the flame,
would flicker
and soon die out
if our lamp did not

us

to grow

in maturity as well as knowledge.

*We gain depth and harmony

A black and white photograph of a rustic wooden bridge over a stream in a forest. The bridge is made of rough-hewn logs and planks, with a simple railing. A person's legs in light-colored pants are visible on the left side of the bridge. The stream flows beneath the bridge, surrounded by dense trees and foliage. The scene is peaceful and natural.

President John F. Kennedy

Died November 22, 1963

Being high school students, we were well-informed on the happenings of the world as well as those at Rogers.

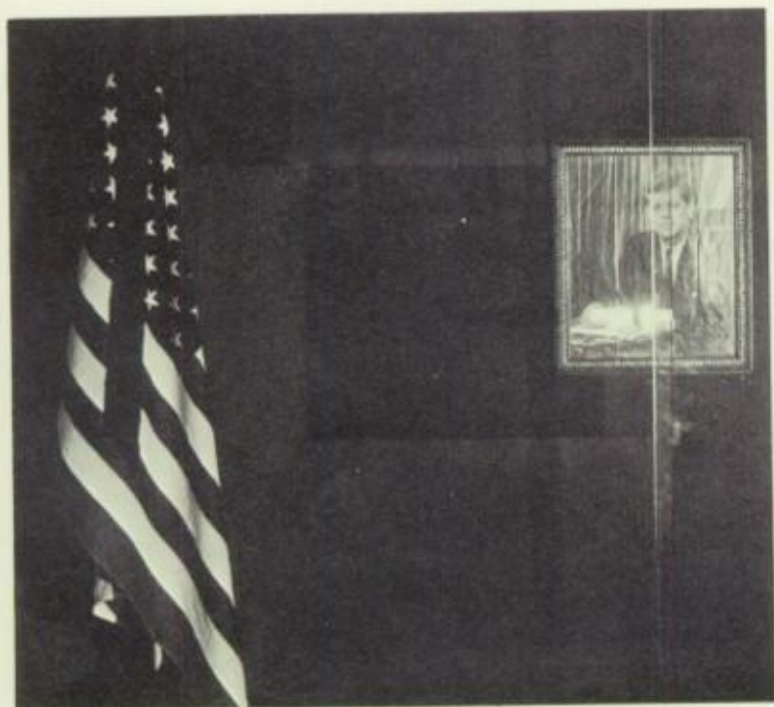

During 63-64 our nation faced crisis, instability, and prosperity. Not only the United States, but the world faced one of the most tragic losses and crises with the assassination of President John F. Kennedy.

The pointlessness of his death touched every human heart. November 22, will never be an ordinary date to Americans, but the day a great leader was taken from them. It left a mourning nation with only a tear to express its disbelief.

The thirty-sixth President of the United States, Lyndon B. Johnson, wore a forlorn look at Anderson Air Force Base when he addressed the nation asking for "... your help and God's."

For the first time in three years Berlin became a united city. Happy faces and hearts were seen as the Communists opened the Berlin Wall during the Christmas holidays.

The striving for equality motivated thousands of civil rights marchers to journey to Washington. In August they came from every state of the union and began their "March on Washington" for the common cause of justice for all.

We also saw the establishment of a long-sought treaty. After strenuous negotiations, the Nuclear Test Ban Treaty was enacted between the United States and Russia—the first such partnership between these two powerful nations.

In many phases the world moved one step closer to peace and understanding.

*Rogers' student life
begins in the fall.*

*The doors opened Wednesday,
September 4.*

*On Friday we met our mascot,
Bunky, and the 1963
football team.*

*We heard nervous
candidates deliver
rehearsed speeches.*

*Days earlier Rogers'
walls became coated
with campaign signs.*

*Voters marked X's on ballots and tense
candidates anticipated Mr. Schultz's words . . .*

*"At this time I would like to congratulate
the following class officers."*

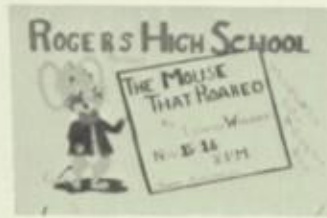

*On Saturdays
and Sundays
student life
became . . .*

*an empty stadium,
boy chasing girl,
a last minute study session.*

"The Mouse That Roared" was our fall play.

*The audience enjoyed
a roaring mouse,
a naive woodsman,
a stolen wine industry,
war on the United States,
a happily-ever-after ending.*

The 1963 Homecoming was comprised of:

a royal pep rally,

wilting mums,

decorated cars . . .

*Alumni memories,
our queen, Nancy,
a new wool sheath,
our first float.*

Winter's activities included:

snaking at the sock hops,

putting up your club's Christmas decorations,

ice skating near a fire,

studying after school,

chanting "Jump, jump, jump a little higher."

*At the Student Council dance
"Memories Under Mistletoe,"
dancers saw:*

*Dave Browning singing of the holidays,
Carren reigning as queen,
shadows on the wall,
a mistletoe ball,
princesses galore.*

*Winter is:
going to a basketball game in
the snow,
biting your fingernails at a
wrestling match,*

sleeping in study hall,

*fighting with your guy and then making up with him,
forgetting to buy a corsage for the girl you're taking
to the Christmas dance.*

*Expressions of students
at work and play show—*

anticipation,

spirit,

and vitality.

*Students show . . .
elation,*

friendly smiles,

pensive thoughts,

Various Rogerites who won awards this year were . . .

Chuck Woodworth, who won the Principal's Trophy;

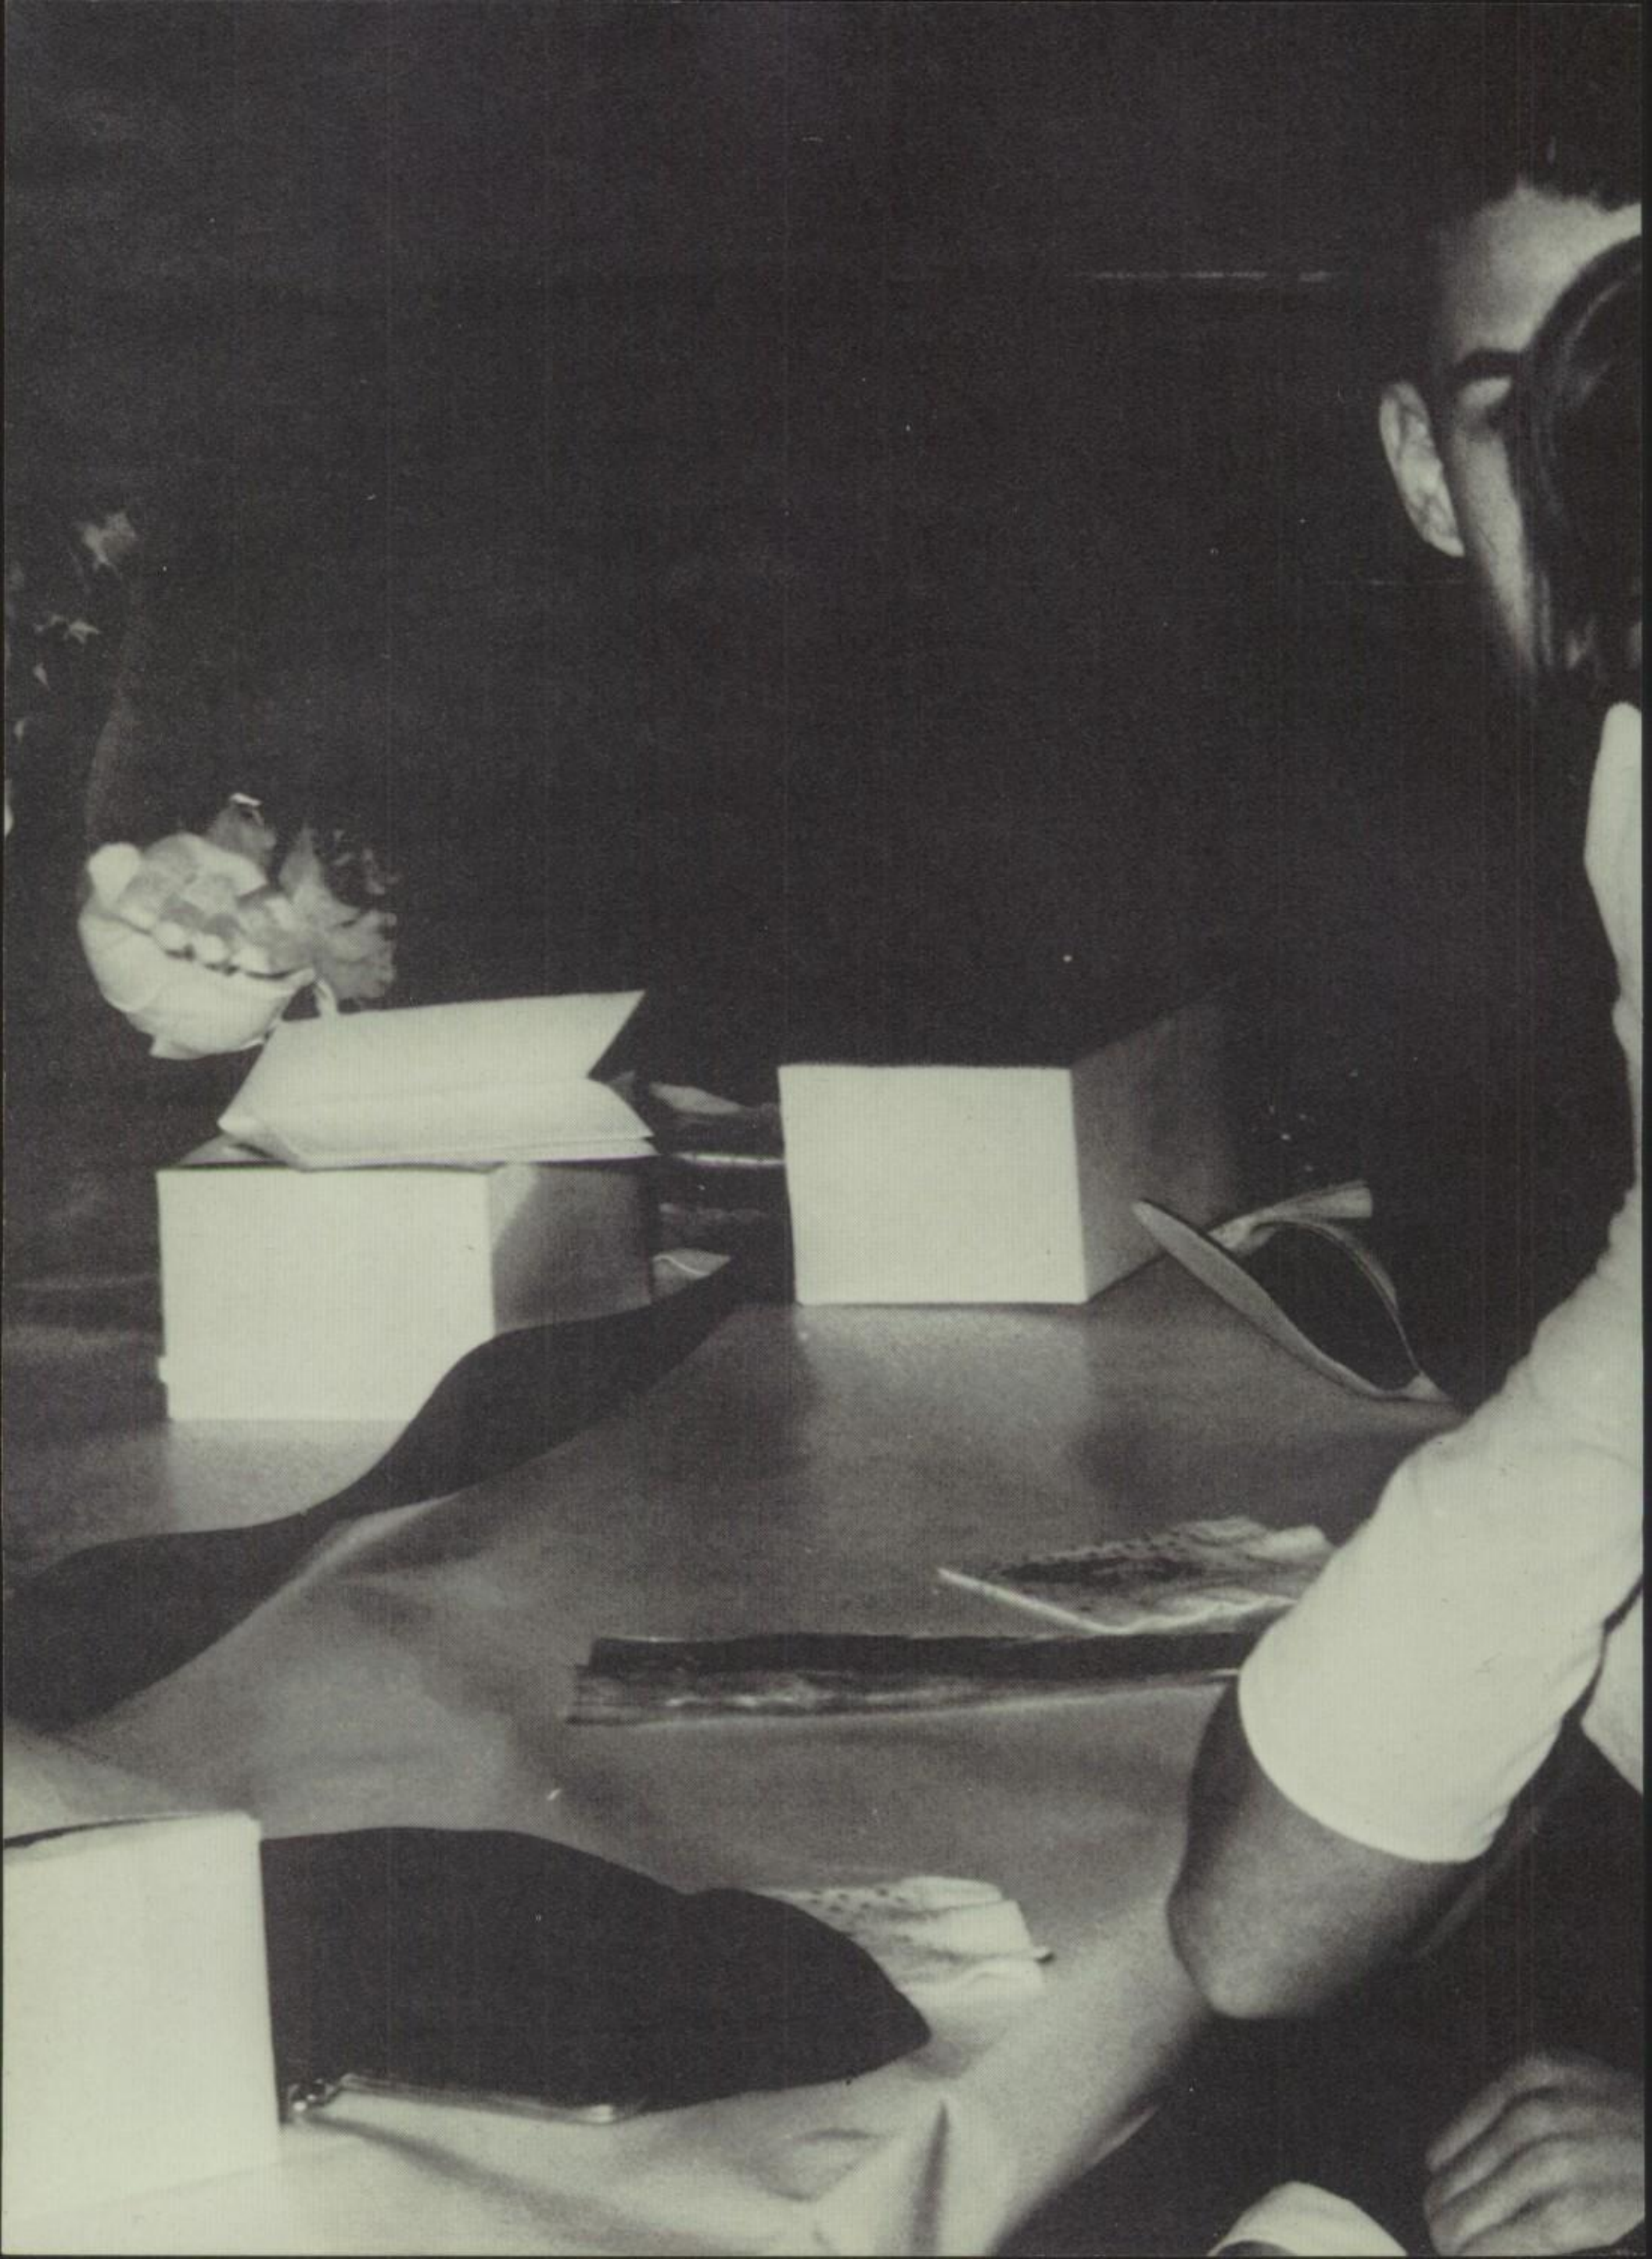

Les Beebe, who bowled a 300 game;

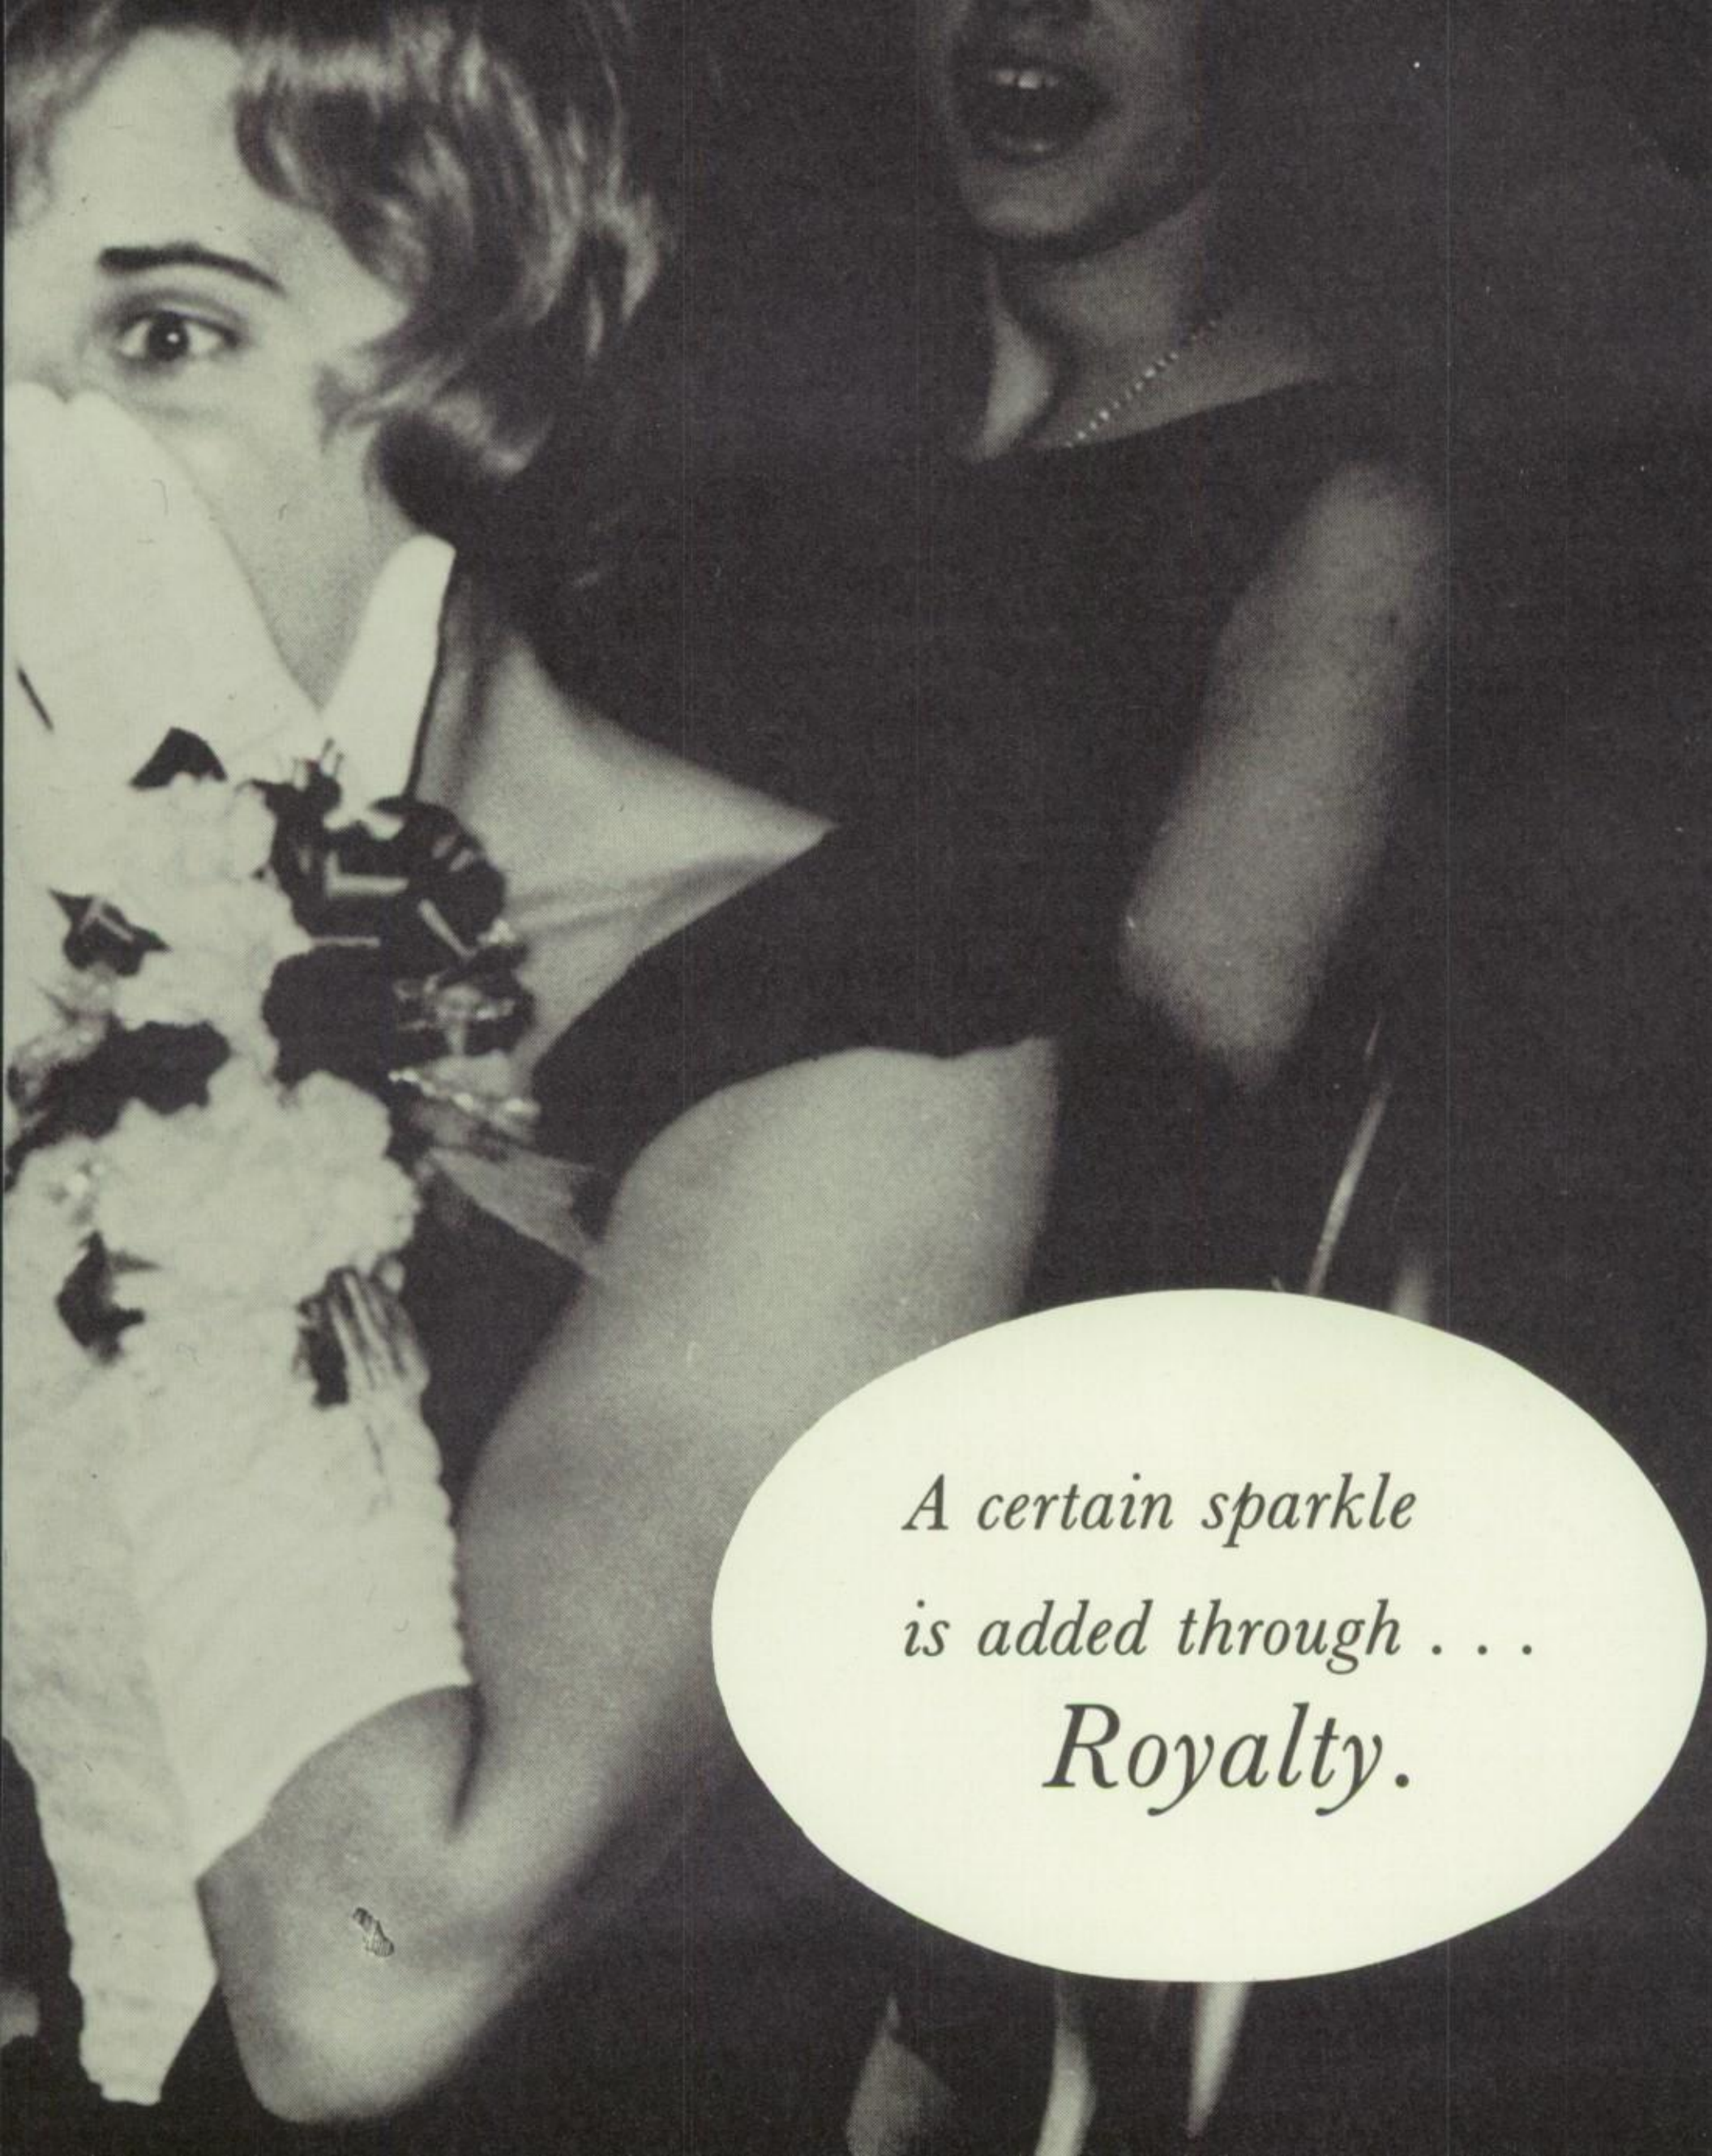

Linda Ludlow, who was a National Merit Scholarship Finalist and Future Homemaker;

Rose Trick, who represented Rogers at the Shrine Twirling Contest.

*A certain sparkle
is added through . . .
Royalty.*

1964 Homecoming Queen

MISS NANCY GREENE

Nancy has participated in a wide field of activities at Rogers. She has led Rogerites in cheers all four years. Nancy was kept busy in Y-Teens, serving as chaplain her freshman year, as president her sophomore year, and as treasurer her senior year. She was treasurer of the Archery Club her sophomore year, president of the GAA her senior year, and she has belonged to the Tennis, YFC, and Spanish clubs.

Area Student Council Candidate

**MISS
DONNA WILLIAMS**

Donna's spare time was devoted to two main activities: Cheerleading and the French club. She aroused Rogerites' spirit as cheerleader for four years. Donna was a member of French club four years, planning the club's programs as Vice-President her junior year, and leading the club as President her senior year. She also belonged to Y-Teens during the freshman, sophomore, and junior years, and to GAA her sophomore, junior, and senior years. Donna spends her leisure summer time skiing at Devil's Lake.

Area Y-Teen Candidate

MISS MARG WINKELMAN

During her four years at Rogers, Marg has joined in numerous and varied activities. Marg excelled especially in Y-Teens and, for this reason, was chosen to be Rogers' candidate at the Toledo Area Y-Teens Formal. Her activities in this club included serving as vice-president her freshman year, president her junior year, and working downtown in the Inter-Club Council. Marg has also participated in Student Council, GAA, and Latin Club. This year, Marg served as senior class secretary and was co-editor of Student Life on the Rogerian staff.

Senior quarterback Tom Barfell halts a Waite Indian.

Louie Tehan shuns Libbey tacklers.

Jerry Ehram picks up a first down for Rogers.

Halfback Gary Price escapes his opponents, and romps for a TD.

Tension mounts on the field; Rams prepare their next play.

Ram blockers are responsible for many gains in yardage.

Junior sprinter Gary Price prepares to overtake Waite foe.

Senior end Chuck LaFaso scurries for an important pass-receive.

Teamwork was a Ram asset.

Senior Van Johnson came back in the Clay game to score the first TD.

Determination and desire marked the faces of each Ram throughout the football season.

Bill Taylor and Company detain a Waite Indian.

Fostoria's Cecil Jackson bites the dust.

A Clay Eagle halts Ehram, but Ram line-men are well on their way to attack.

Injuries, indeed, were a drawback to Coach Rittichier this year. Another team member, Don Provencher, is being carried off the field.

The final shot is fired!

Familiar bus awaits Reserve team for an away game.

Ask any member of the 1963 Reserve football team why they had such a tremendous season (and they did as they won seven and lost two), and he will no doubt answer, "Because we worked as a team, and even more important, we had pride." (And they certainly did!)

Boys, new to the competitive sport, learned what it was like to "destroy" their foe. These boys learned and also made mistakes; yet they never gave up battling throughout the successful football season.

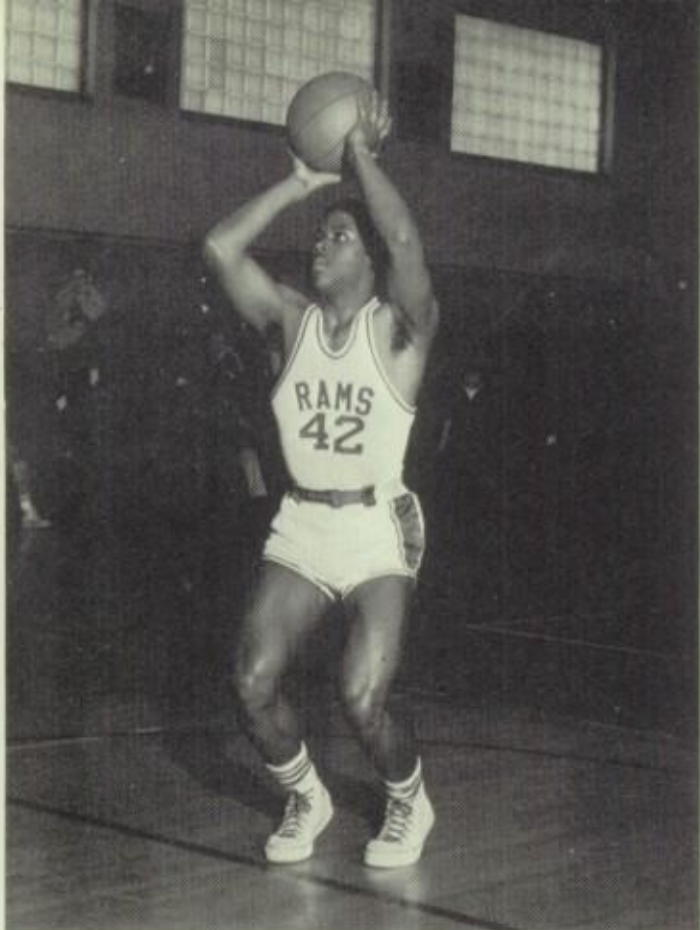

And why were they successful? We coaches feel the reason is that these boys have developed a sense of self-pride. They certainly gave their "all" to their school, and above all, they became gentlemen.

 Give out laps and call delays.
 But with a purpose these things
 they do,
 To mold a man, son, out of you.
 To win the game is their chief
 aim,
 But if you chance to fall in
 shame,
 They build you up to hold the
 name,
 Of Rogers High from where you

 When seeking better we have

The 1964 Baseball team is one of the strongest in the history of Rogers High School. Winner of two consecutive summer-league championships, the varsity team is deep in returning lettermen. This year's team is a strong contender for the G.L.L. crown and also for the District championship. Its main objectives are to better the 1963 record of ten wins and five losses. With this accomplished, the team should win both championships.

Van Johnson proved to be a versatile infielder during his junior and senior years.

Senior Randy Matson executes skill in pitching.

Mike Hollowell, senior broad-jumper, poses in his take-off position.

The 1964 track team is made up of a number of returning veterans. Last year's team included Tom Luettke who went to the state track meet in Columbus; Tom set a school shot put record in '63 of 49'6". Also in '63, Brint Martin set a pole vault record of 12'3"; Larry Houston set a record of 4:45.5' in the mile; and Steve Owens set a low hurdle record of 19.3'. In 1963 we won the triangular meets with Ottawa Hills and Sylvania, Sylvania and St. Francis, and the dual meets over Start, Bowsher, and St. Francis. We lost only one dual meet to Whitmer, the G.L.L. champs, while we finished second in the league.

Returning varsity lettermen for this year are: Tom Luettke, John Williams, Larry Houston, Mike Hollowell, Jerry Ehrsam, Gary Price, Jim Geisert, Mike Meier, Dan Hiskey, Jim Wellman, and managers, Larry Winston, Bill Folger, Jim Borsos, and Bob Coy.

dominated the '64 spring scene

Rogers 1964 boys' tennis team boasts three lettermen back from last year's fine squad that compiled a 12—5 record. Captain and No. 1 Singles' player is senior Jeff Kozy. Juniors, Dave Emerson and Dave Hart, return to anchor the doubles. A promising sophomore, Ken Swartz, challenges Kozy for scoring honors this year. Newcoming seniors, Mike Kotz and Chris Moor, add to the team's prospects for a successful season. Rogers plays a 15-game schedule this year which includes several out-of-town matches.

Rogers girls' tennis team is trying to fill the losses of last year's seniors. R.H.S. females on the court are Lois McCormick, Mary McElheney, Kathy Smith, Dianne Emerson, Peggy Burke, Kris Klag, Joyce Kenczewicz, and Nancy Collins. All of these girls represented Rogers in matches last fall against Magnificat High School of Cleveland and University School of Kalamazoo. The girls play an eight match schedule during April and May.

Board of Education

The Board of Education decides the policy of the Adams Township Public School System. They are kept busy and active with these and many other duties. The citizens of Adams Township can be assured that Mr. Hedrick and the Board members are fulfilling their job in further advancing the educational facilities made available to their youth.

The Rogers High Administration co-ordinates school activities and leads students toward college or their respective vocation.

Mr. Schultz has served as the chief executive for Rogers for the last three and one half years.

Mrs. Hazel serves as our head counselor in guiding Rogers' students to post-high school work.

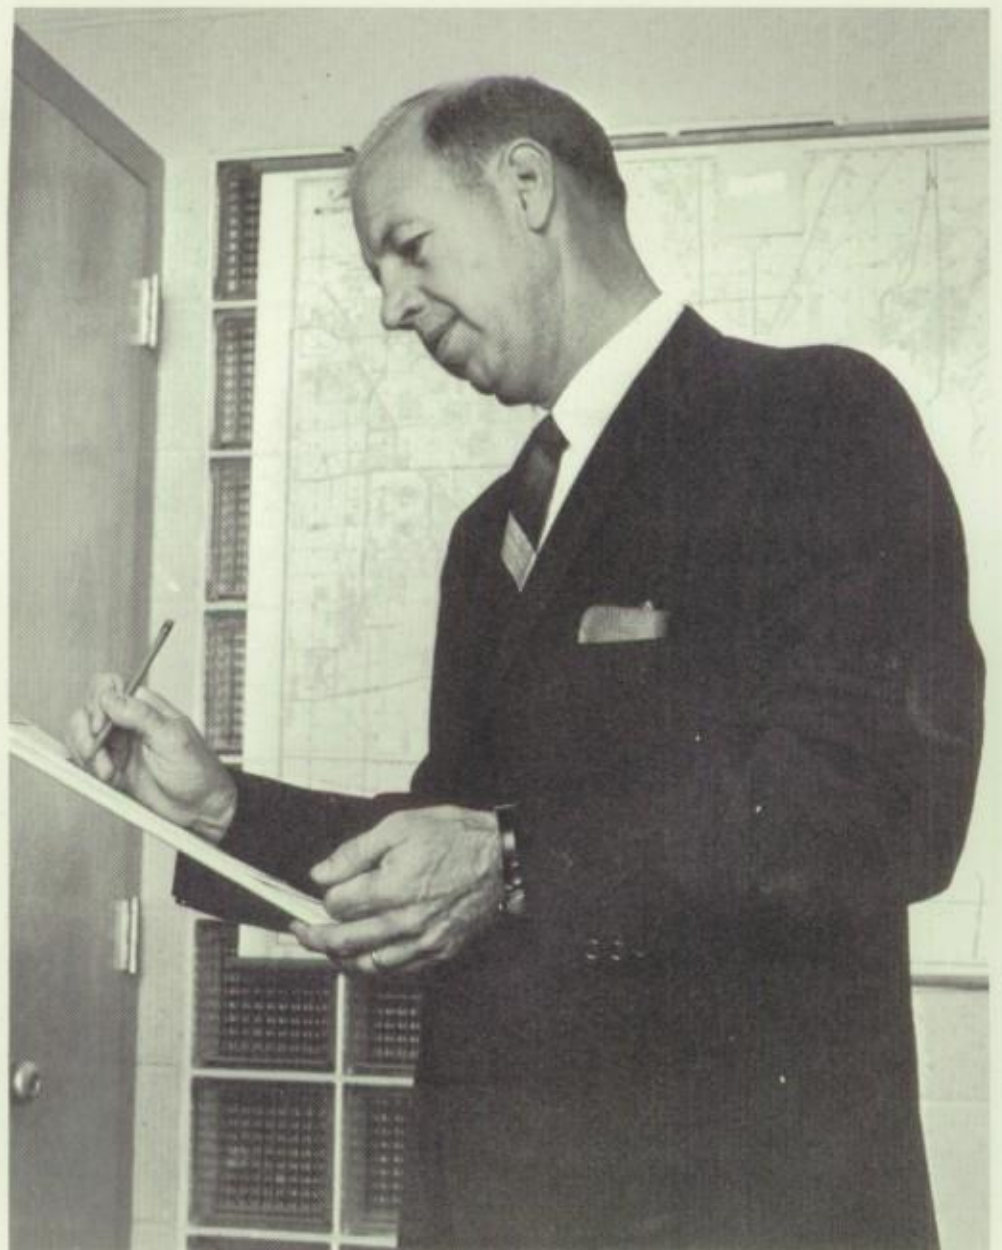

Aiding Mrs. Hazel are Mrs. Tracy and Mr. Carmen. Along with giving their advice they issue all excuses for absentees, check attendance records, and handle discipline.

The duties of Mrs. Barnes and Mrs. Thomas include answering the telephone, selling such items as workbooks and locks, and assisting students.

Mr. Flaughter keeps the financial records in order for the school.

Mrs. Geraldine Christensen

English

Teaching skills in language arts, which make for effective writing, speaking, and listening, is the main work of the English department. Skills in each of these fields is essential if students are to achieve common understanding.

Rogers' English teachers feel these arts are necessary for students to communicate their needs, ideas, and thoughts. Therefore, it is the work of the English department to see that students are given a chance to better these skills and learn to appreciate English.

Mr. Roger Phillips
Miss Gail Peery

Mr. Willard Collins
Mr. Dale Hepler

Mr. Robert Rittichier
Miss Darlene Pond

Social Studies

World history, American history, and American government make up the social studies department. This department works to acquaint students with the functioning of the U.S. government from the local to national level.

World history, open to juniors, introduces students to the development of the world from the earliest times. American history and government inform Rogerites of their country. History deals with the historical events, while government introduces students to the mechanical working of the U.S.

Mr. Robert O'Connell
Mr. Thomas Lyons
Mr. James Vitale
Mr. Vincent Contrada

Mrs. Harriet Abell

Mr. William Faulkner

Mrs. Mildred Van Fleet
Miss Wilma Shultz

Language

The Rogers' language department is made up of those faculty members teaching Latin, French, or Spanish. The aim of the department is to acquaint students with the language, customs, and culture of foreign lands.

The teachers of these languages also act as advisors to the R.H.S. language clubs. In these organizations the teachers attempt to carry out the culture and customs which they teach during the school hours.

All college bound students are required to study at least two years of a foreign language upon college admittance.

Mr. Joseph Lucas

Mr. Powell Kingsley

Mrs. Elizabeth Schroeder
Mr. Richard Wagner
Mr. Robert Bean
Mr. Donald Ruck

Science

The aim of the science department is to develop an understanding and interest in the nature of science. Students are taught to realize that science requires an open-minded, intelligent outlook, and that it is a course always subjected to a change. Also emphasized is the present available data and its bearing on modern living. The elective course of biology deals with the study of all forms of life. Chemistry I deals with the basic properties and combining capacities of elements. Chemistry seminar is an advancement of this course offered to seniors.

Mrs. Marian Schnell

Mr. Frank Gwozdz

Mr. Charles Weisenauer
Mr. Bruce Partner

Math

In modern times mathematics is a course necessary for survival. So has it grown in importance at Rogers. Math instructors strive to give students the necessities of math which they will put to use in everyday life. The Rogers' math department strives to prepare all students entering careers which will involve mathematics with the best background possible.

To the department, math is necessary for work in all sciences. The subject also exercises the mind and develops clear thinking. At Rogers, one year of math is required.

Miss Polly Collins

Mr. Clifford Nelson

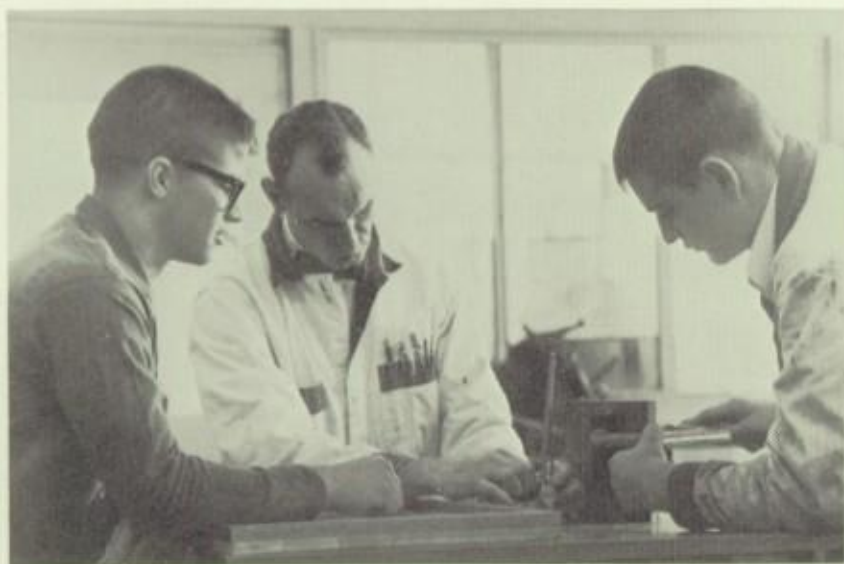

Miss Patricia Todd
Mrs. Bonnie Woods
Mr. Charles Alexander

Business

Many Rogers' students' interests lay in the business world. Many qualified instructors teach these Rogerites the courses necessary to excel in this field. In addition to typing, shorthand, general business, bookkeeping, and business math students are taught how to apply this knowledge in the office.

Direct application is done through a subject called clerical practice by learning to operate office machines.

Mr. Wilbur Flaughner
Mr. Roger Frazier
Mr. Ronald Kuhl

Industrial Arts

The industrial arts department strives to acquaint students with tools and their uses so that they might be able to complete various projects in later years. The department also teaches boys that are not college bound a vocation they can use after graduation. The instructors of the department feel it is compulsory for these Rogerites to have a specific vocation so that they may find a place in this fast moving world.

Various "shop" courses are offered at Rogers. General shop, woodworking, mechanical drawing, and printing are also elective courses offered. More specific branches of study include electricity and auto mechanics.

We entered Rogers looking forward

As Sophomores we served our community by bringing Christmas Cheer to teen-age orphans. We learned that one of the most important goals of Rogers is good sportsmanship.

The Sophomore Class officers are L. to R.: Eric Luthi—treasurer; Margie Terril—secretary; Debbie Keil—vice-president; and Otto Liebat—president.

You Can't Go Wrong...

Nobody should ever consider his education complete. You can't go wrong by getting as much schooling as possible. So strongly does Toledo Edison feel about this that we finance three scholarships a year at the University of Toledo.

Lots of college graduates find Toledo Edison a good place to work. Investor-owned electric companies offer interesting careers in many fields. You might want to look into this.

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane®* insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

To a great athlete
and student. I wish
you the best of luck
in your following
years at U. of T.

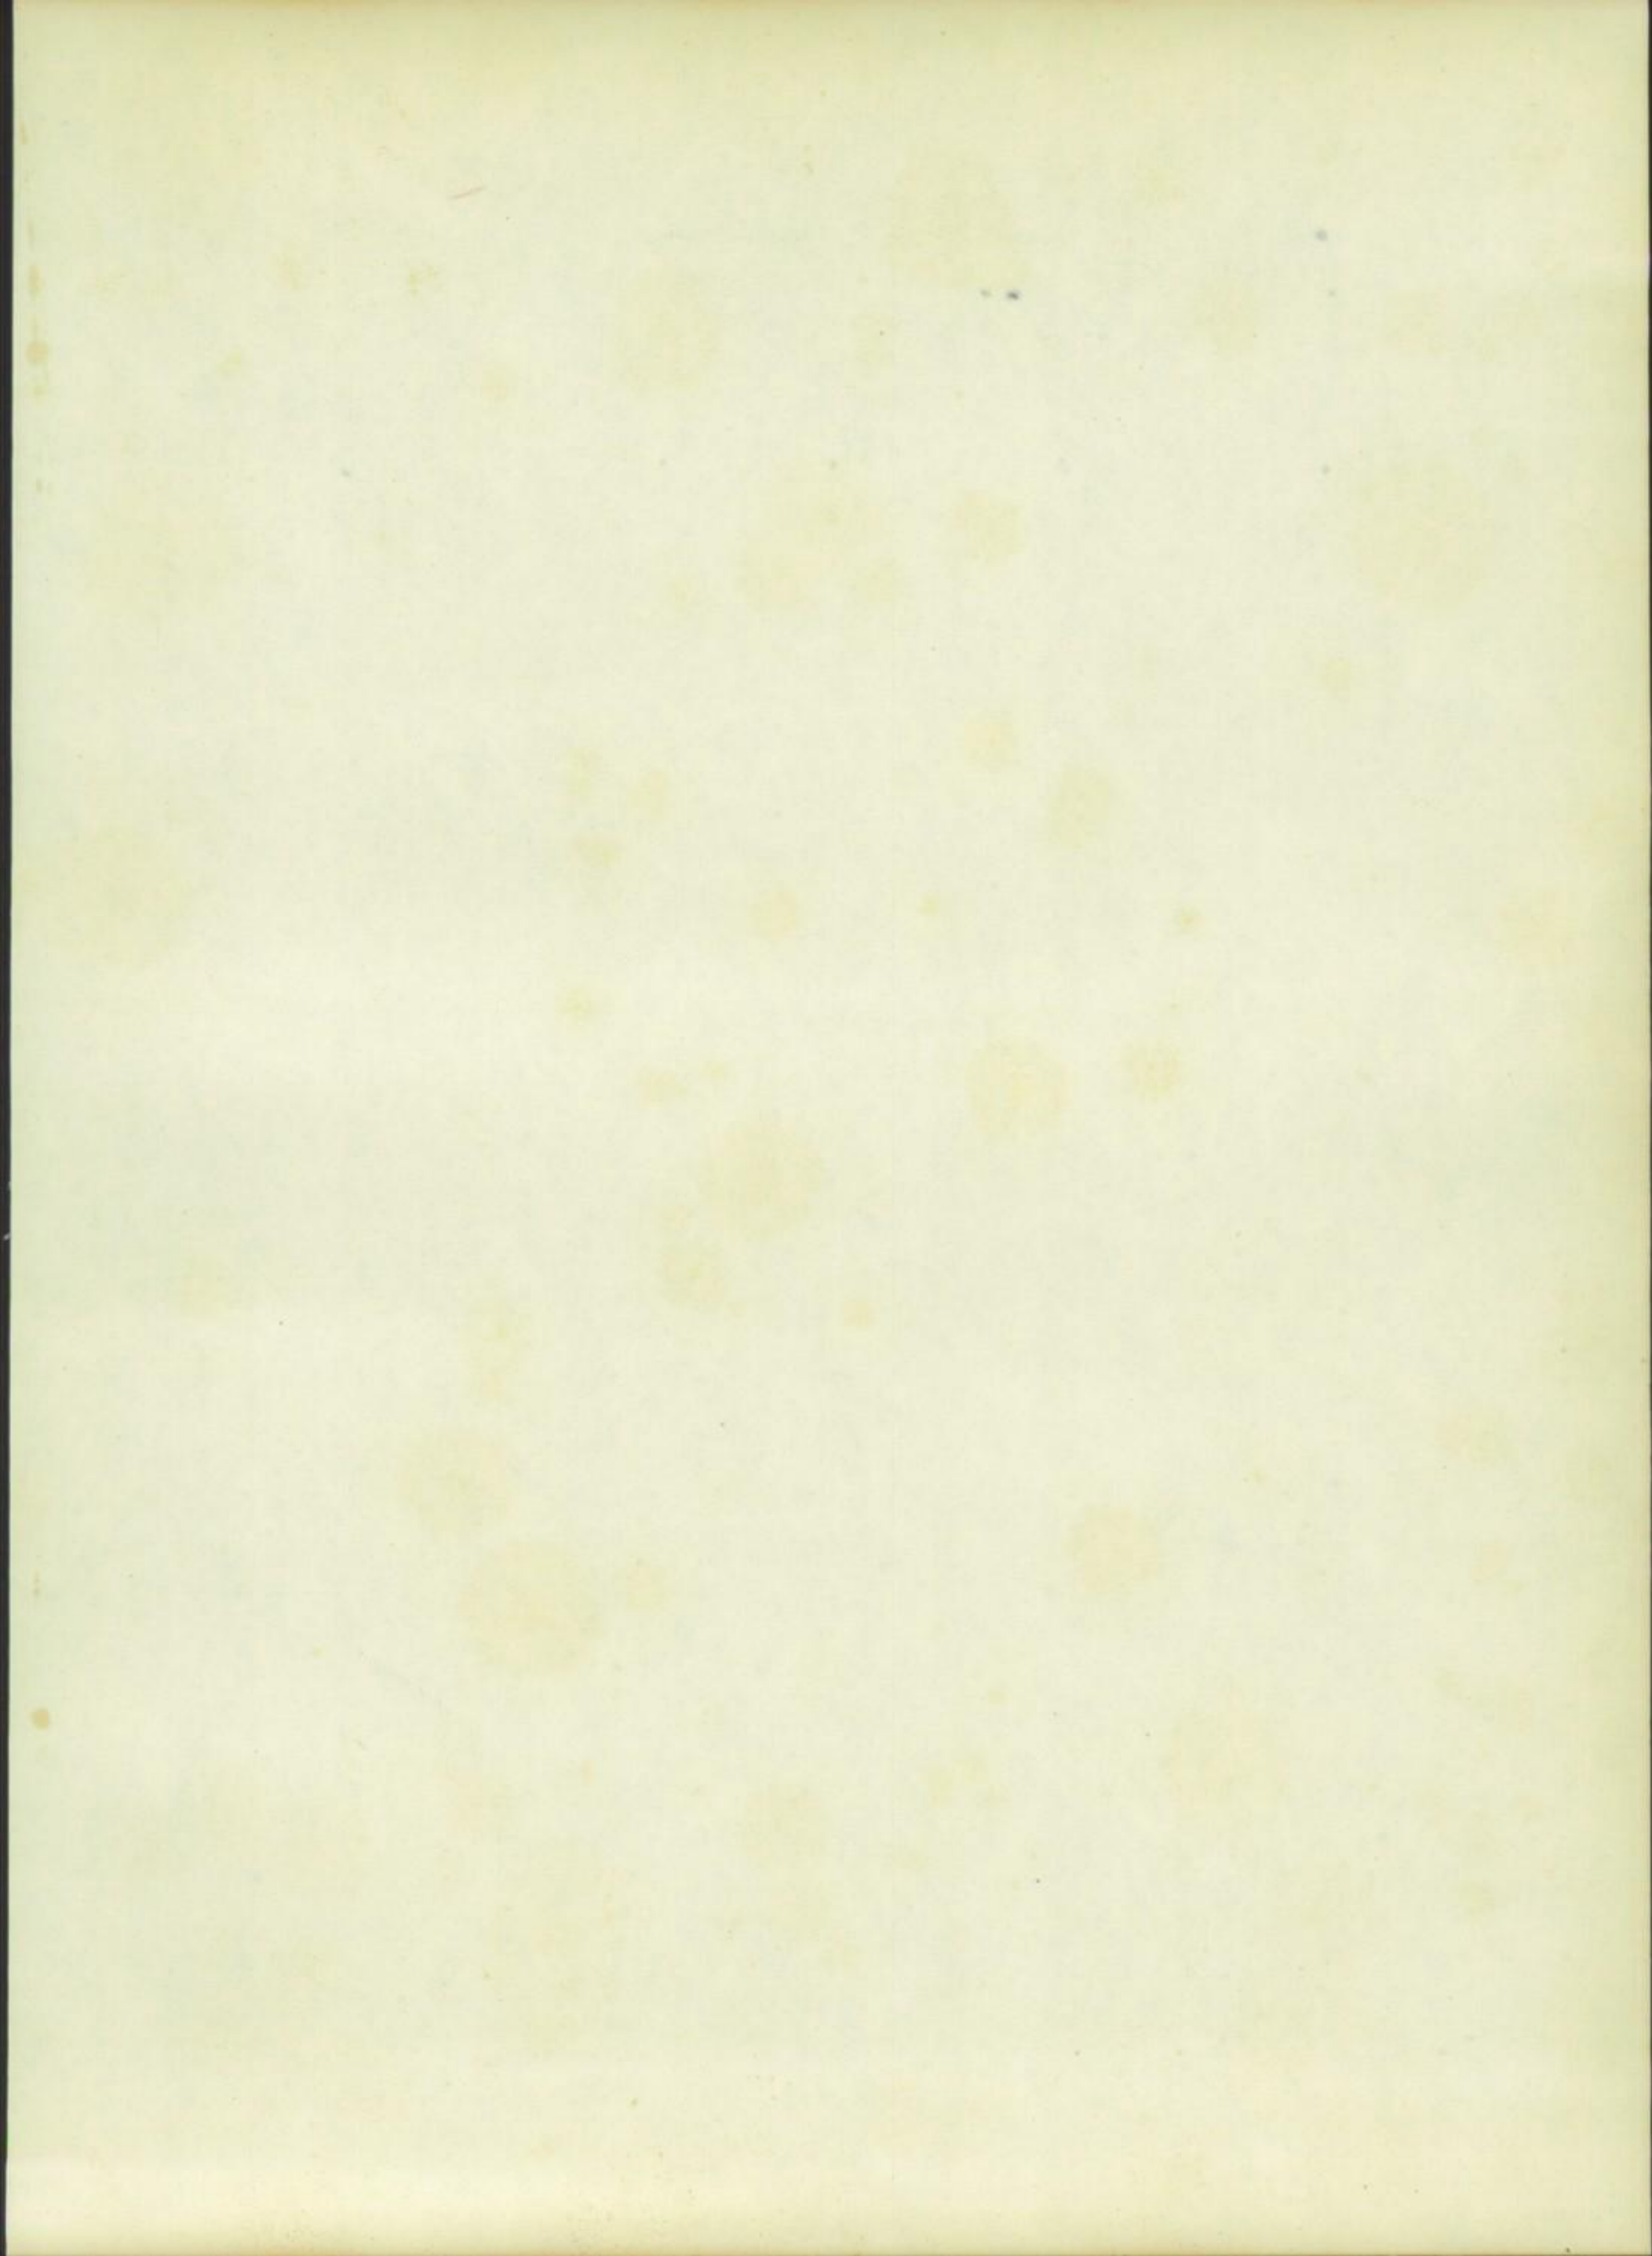

God Bless
you
Ed

Chris -
Good luck
to a great guy.
always keep your
great personality and
mellow sense of humor.
Study hard and have
fun next year.
P.S. It's been a wonderful
year knowing you!

To a great
student, but not much of a
athlete - kidding - HA HA
Good luck anyway! Harry
O'Hare

Chris,
Congratulations
on your graduation.
We have had a lot of
nice times together, and I
hope we do in the future also.
Thanks for all of your government
papers! They will be useful to me in
my Senior Year at Rogers. Very best wishes
in the years to come and good luck
in college. Stay sweet and kind
you'll always have fun. "Good Luck" &
"God Bless You"
"Love Always"

My dear Mr. [unclear]
I have the honor to acknowledge
the receipt of your letter of the 19th inst.
and in reply to inform you that
the same has been forwarded to the
proper authorities for their consideration.
I am, Sir, very respectfully,
Your obedient servant,
[Signature]

to
a
biology student
I think. Good Luck
with Lucas. Meaning
if you're lucky you won't
see him.
